

BOWA DP HDC1

MANUAL HARDDRIVE CRUSHER

The **HDC1** is the perfect solution to securely physically destroy all your magnetic and SSD Harddrives. Whenever a computer is replaced the Harddisc still carries viable confidential information that needs to be securely destroyed. The perfect and cost effective combination of the SDP01 Degausser, to securely destroy the electronic information through intense magnetic field, and the HDC1 to physically damage or destroy the support. With our HDC1 we offer you a portable low-cost solution to assure that all the harddrives are physically damaged before they leave your office.

FEATURES

- ▶ Easy-to-use
- ▶ Small footprint
- ▶ No power supply needed
- ▶ Destroys magnetic HD and SSD
- ▶ Can be used with all storage devices
- ▶ Harddrives
- ▶ Mobile Phones
