

BOWA DP GM 100

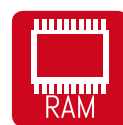

PROFESSIONAL IT MEDIA DISINTEGRATOR SYSTEM

Suitable for continuous duty operation in a compact design, the multifunctional BOWA DP GM 100 disintegrator system is able to shred high volume of mixed it media and its confidential information stored in CDs, floppy disks, memory cards, PVC card, USB*, SSD* and small electronic board at once.

Thanks to its user friendly PLC console, touch screen that show operational status, integrated auto reverse and cut-off to avoid jam, sound and dustproof closed housing, the BOWA DP GM 100 is comfortable to use and transport through its heavy duty casters, preserving efficient destruction of confidential data in compliance with DIN 66399 up to O6/E6 security level and high hourly output.

Its solid and hard roller knife and powerful thermally protected motor guarantee a stable high performance and long working life.
